After Market String Warning

Warning: Never remove, move, or add additional string weights to your Prime bow's string or cables. String weights are specifically engineered for weight and location to ensure correct operation of your bow. Alterations to string and cable speed weights could cause your bow to break or malfunction and cause serious injury or death.

Warning: Never use aftermarket strings and/or cables on your bow. Aftermarket strings and/or cables may not be suitable for replacement on your Prime bow. Prime cannot guarantee that the materials or the manufacturing methods used by aftermarket string and/or cable manufacturers will be suitable for use on your Prime bow. Failure to heed this warning could result in serious injury or death to yourself or bystanders. Only Genuine Prime branded strings and/or cables should be used on your Prime bow.
